

SUMMER

COLOR REFRESH

JULY & AUGUST 2025

Back for a second year, plan to revitalize your garden with our Summer Color Refresh program! As the season heats up, these vibrant blooming plants will help bring renewed energy and stunning color to containers, gardens, and landscapes.

Available throughout July and August in convenient quart sizes, our carefully selected collection features Angelonia, Celosia, Lantana, Snapdragon, and Zinnia in a spectrum of colors to suit any garden style. These perfectly proportioned plants are idea for refreshing tired beds, rejuvenating containers, or creating entirely new displays that will maintain their beauty through the remainder of summer.

Each heat-tolerant performer has been chosen for its' resilience during the warmest months of the year, ensuring your garden remains a colorful oasis when many spring flowers have faded.
